

■■■■■ The Cipher Challenge

Goal: Work together to solve five puzzles. Each one reveals a part of a secret phrase. When you've cracked them all, put the pieces together to reveal the full quote!

■ Puzzle 1 – Caesar Cipher (Shift 3)

Qhyhu ohw d frpsxwhu nqrz

Hint: Each letter has been shifted 3 places backward in the alphabet.

■ Puzzle 2 – Binary Code

01111001 01101111 01110101 01011111 01110010 01100101

Hint: Convert each 8-bit binary sequence to text (ASCII).

■ Puzzle 3 – Word Scramble (Anagram)

INHURRYA

Hint: Rearrange the letters to form a meaningful phrase.

■ Puzzle 4 – Logic Riddle

I process data but I'm not human. I never sleep but I can crash. What am I?

■ Puzzle 5 – Hidden Message

Not Every Very Eager Robot Likes Eating Tacos

Hint: Look closely at the first letters of each word.

When you think you've cracked all the puzzles, combine the answers to reveal the full quote!
